NOTE: This information is meant to be a GENERAL guide for students in planning appropriate courses for transfer to the University of Pittsburgh at Johnstown. The University recommends that a student refer to major requirements in conjunction with this transfer information.

An official evaluation of transfer credits will not be completed until after the student has made application for admission and has provided UPJ with an "official" transcript from their previous institution.

* UPJ Non-Equivalent credits may be used toward graduation as free electives or to fulfill appropriate general education courses with approval from the Associate Vice President for Academic Affairs.
