Choose the option that best describes your situation:

_____ I have successfully completed coursework that has placed me back into acceptable academic standing and now have earned enough credits and/or the minimum cumulative GPA needed to place me back into acceptable academic standing. I understand that the successful completion of coursework at any Pitt campus can increase both my cumulative GPA and total number of credits completed; whereas, the successful completion of coursework outside of the Pitt system will affect the total number of credits completed, provided that those credits transfer. The GPA for courses taken outside of the Pitt system is NOT transferrable. (Attached a copy of your grade transcript(s) for all courses taken outside of the Pitt system).

_____ I have completed the necessary coursework and my G or I grade has been updated. In completing the necessary coursework, I have earned enough credits and/or the minimum cumulative GPA needed to place me back into acceptable academic progress.

_____ I was enrolled in a study abroad program during the 2011-2012 academic year and my grades were not available at the time that academic progress was checked. My grades are now available. I have attached a copy of my grade transcript from my study abroad program for your review.

_____ Since the initial review of my academic progress, I had a grade change occur which places me back into acceptable academic standing.

By submitting this form, the Financial Aid Office will reevaluate my academic progress and will notify me in writing of the outcome. I understand that I must earn enough credits and/or earn the minimum cumulative GPA that places me back in acceptable academic standing before my Federal Title IV and University-funded financial aid will be reinstated. Failing to reestablish acceptable academic progress will result in the cancelation of my Federal Title IV and University funding and may affect my eligibility for the PHEAA State Grant.
