WHO WE ARE

We are YOU! The Pitt-Johnstown Alumni Association serves you, our 22,000 alumni. Beginning with your graduation, we strive to facilitate your lifetime connection with Pitt-Johnstown and the benefits you and the University derive from this last partnership.

Our mission:
To promote the welfare and interest of Pitt-Johnstown and its alumni.

The Pitt-Johnstown Alumni Association was founded in 1973, around the same time the college became a four-year degree-granting institution. The Association provides support to a variety of programs, activities and scholarships. Memberships offer opportunities to have fun, meet great people, and give back to your alma mater. The Pitt-Johnstown Alumni Association invites you to join our efforts, show your pride in your alma mater, and make a difference!

WHAT WE DO

To meet our mission, we volunteer in support of a variety of programs and activities, including alumni and student awards, fundraising, scholarships, networking events, and professional development. The Board of Directors works with the University to guide and implement our programs, with help from supporters like you.
