First-Year Residence Halls

All first-year students typically reside in one of the five first-year communities (Hickory Hall, Hemlock Hall, Laurel Hall, Maple Hall, Oak Hall.) Our first-year residence communities balance opportunities for students’ interaction with the need for privacy. Our popular accommodations are designed as a two-room suite arrangement; each room featuring a private vanity and adjoining shower/toilet, shared with only one other residence room.

These halls also feature study areas, a large lobby area with a gas fireplace, and recreation room with TV, billiards table, foosball table, ping-pong table and exercise machines. A laundry area is conveniently located on the lower-level of each facility.

Room Sizes

Dimensions are provided below for the sleep/study space in each of the rooms. The closet/vanity is a separate area and is approximately 6’ 6” X 11’.
